

REMARKS

This application was filed with 65 claims. Claims 1-11 were previously canceled. Claims 25-65 were previously withdrawn and are canceled herein. Claims 12, 18 have been rejected and are canceled herein. Thus, Claims 13-17 and 19-24 are currently pending in this application.

ALLOWABLE SUBJECT MATTER

Claims 13-17 and 19-24 were objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicant has amended Claims 13-17, 19 and 22 so as to be written in independent form including all of the limitations of the base claim and any intervening claims from which they depended. Claims 20-21 depend from now independent and allowable Claim 19, and Claims 23-24 depend from now independent and allowable Claim 22. Applicant asserts that Claims 13-17, and 19-24 are now in condition for allowance.

Reconsideration of the application based on the remaining allowable claims and arguments submitted above is respectfully requested.

Pursuant to 37 C.F.R. § 1.136(a), Applicant petitions the Commissioner to extend the time for responding to the May 4, 2005, Office Action for 1 month from August 4, 2005, to September 4, 2005. Applicant encloses herewith a check in the amount of \$120 made payable to the Director of the USPTO for the petition fee.

The Commissioner is authorized to charge any deficiency or credit any overpayment associated with the filing of this Response to Deposit Account 23-0035.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Howard H. Bayless", written over a horizontal line.
